

## Quotation

### Workshop for "eLux NG – embedded Linux on Thin Clients" and the Management Tool "Scout NG"

---

#### **Requirements**

Windows and network administration knowledge. No advanced Linux knowledge is required. Knowledge of basic UNIX commands useful, otherwise will be provided by lecturer.

#### **Method**

Lecture, demonstration, and hands-on practice. One Thin Client per participant. Please note that the workshop is offered in German and English. Select the correct language on the registration form.

#### **Number of Participants**

There must be a minimum of four participants for the workshop to take place. To insure a high level of individual attention, the maximum number of participants is limited to six.

#### **Content and Topics**

Day 1-2: eLux NG + Scout NG

See the included agendas for more details.

#### **Dates**

see [www.myelux.com](http://www.myelux.com)

#### **Workshop Schedule**

Day 1: 10:00 to ca. 18:00

Day 2: 9:00 to ca. 17:00

There is a one-hour break for lunch.

#### **Costs**

For each participant per day: 440,00 € including drinks and lunch.

#### **Registration**

To register, please fill out and sign the included registration form and return it to us via **fax**. You will be sent an email once the registration form arrives. You will receive a confirmation and invoice only if the minimum number of participants is obtained for the workshop to take place. Please read the workshop policy outlined on page two of the registration form.

#### **Registration Deadline**

see [www.myelux.com](http://www.myelux.com)

#### **Hotel Reservations**

If the workshop takes place, you will be sent directions to UniCon and a list of hotel recommendations. If you wish, we will reserve you a room at a hotel of our choice under your name. Please be aware you must book directly to receive reduced business rates.
